

NEBRASKA STATE CDA IS SELLING BADGES

After several requests, the State will be selling badges for any CDA members who would like to have one. Any profits received from these will be used to help with expenses incurred by the National Convention in 2012. Below is a copy of an actual badge and so this is the exact size. They will have the magnetic back. Because they do not have the CDA logo we do not have to have the vendor approved by the National Office and there is no set up fee so it saves money. Cost is \$10 per badge. They are purple with white lettering. Orders go to Ruth Krumbach, First Vice State Regent at the address on the order form.

Please share this with your members and if they are interested send the order form and check to Ruth. Thank you.

Please print the names carefully when ordering so that there are no mistakes. Make checks payable to the Nebraska State Court. You may copy this form so you have a separate one for each order.
